Mr. Richard Helms

Central Intelligence Agency
Washington, D.C. [illegible]

Dear Mr. Helms:

The Commission wishes to consider the possibility that during his stay in the Soviet Union Lee Harvey Oswald may have received technical or psychological training or conditioning designed to reinforce or [illegible] to his apparent hostility to authority and thereby render him a [illegible] factor in this country after his return.

We think that a study of the [illegible] Soviet techniques in mind [illegible] [illegible] "brain washing" would be helpful in this respect. We would greatly appreciate your making such materials as you may have on that subject available to Mr. Wesley J. Liebeler of our staff. Perhaps a conference on this subject between appropriate members of your [illegible] and members of our staff would be [illegible].

Your assistance in this matter is appreciated.

Sincerely,
